

CASADELIZ

The essence of Senegal

Casadeliz

Our Story

At Casadeliz, we bring you the best of Senegal through our unique, mouth-watering range of products derived from the often-overlooked yet incredibly nutritious cashew apple, mango and the saba senegalensis fruit best known as Maad.

In partnership with local farmers, we harness the power of sustainability and community to bring you a line of products that doesn't just taste good but also does good.

1. DESCRIPTION

Casadeliz cashew apple juice embodies the rich flavors of Africa, right from the vibrant heart of Casamance, Senegal. This natural elixir offers a healthful boost with a content boasting five times more Vitamin C than orange juice. It is non-GMO, vegan, and free from preservatives.

NTRITIONAL FACTS

Experience the wholesome goodness of hand-harvested cashew apples, meticulously ground, pressed, clarified, and filtered before undergoing sterilization for your safety. Our bottled juice is best enjoyed chilled and is perfect for any occasion—breakfast, brunch, dessert, afternoon snack, or as a cocktail mixer. Elevate your daily rituals with the taste of unparalleled freshness

2. Ingredients

This juice is made of 100% Cashew Apple Juice.

Delicious, nutritious, and environmentally conscious, our beverage is crafted from the juiciest handpicked fruits to deliver a 100% natural, fresh juice with zero additives.
